Mr. Jay Kollar
Thoroughbred Youth Athletics Program
11495 South Cleveland Avenue
Fort Myers, FL 33907

Dear Mr. Kollar:

I am writing today to commend the Thoroughbred Youth Athletics Program on the goal of providing better health and physical fitness for the youth of our community. I was pleased to learn this non-profit 501c3 organization not only wants to promote a healthier lifestyle, but, to do so in such a positive manner.

Thoroughbred Youth Athletics (TBY) objective for the youth in Lee County is promoting an active physical lifestyle with the hope of having a positive outcome for both the participant and the community. In addition to the physical well being of the participants TBY recognizes the importance of maintaining an acceptable GPA. The aspiration for these students, in grades 9-12, is to keep above average scholastics, volunteer in the community and exhibit a positive lifestyle. This certainly is a win-win endeavor for all involved.

Thank you for making a profound difference in the lives of the students of the Thoroughbred Youth Athletics Program.

Sincerely,
